CRYING REFORMS.

The new council, whoever the may be, will find plenty of worker out for them at the very start. A effective system of fire protection improvement of the sanitary arrangements of the sanitary arrangements of the town are acknowledged by all to I town are acknowledged by all to I would be suffered by the sanitary are certain amount consideration, time and money be fore they can be effected. We would like to indicate some other uniteraction and vet can be remedied without any further expense than a good bylas and an efficient officer to cultore i. In the first place every ocenpan

turnier expense than a good systa and an efficient officer to euloroe i In the first place every occupan of a house should be compelle to keep his back premises in order. The caudition of the backs of lots is by no means what it ought to be in any part of the town, but in the more erowded parts it has becoming the properties of the control of the co

extreme west of Coraeavara than at present.

The third necessity will be a vagrancy law. Winter will soon be on us now, and unless the petty thets and burginess of the last cold season are to repeat in the one that include an attention of the cold season are to repeat in the one that include an attention of the cold season are to repeat in the one that in the dead, and inmediate exodus of the dead, and inmediate conduct of the cold season are to the cold season and the cold season at the cold season at

THE ALBERTA RIFLES.

THE ALGERTA RIPLES.

The movement recently set on foot by some enthusiastic rifferment of the property of the final accision arrived at war to organize a troop of the same stamp as Major Hutton's old corps of Alberta Mountel Biffer, which was to be some particularly suited to the requirements of the country in case of trouble. An infantry corps of trouble, and the town, except to gerrison the town, except to gerrison the town, except of great importance.

Of course there me calleavy composition of great importance.

The tist to be hoped in the best introught of the country that all danger of serious trouble with our fadian alighbors has passed away. But this tope cannot be allowed to drift this tope cannot be allowed to drift these country. And meanwhile its always best to be propared. Be-
